# concept to reality

Developed in conjunction with Daimler in Germany, this New Generation Atego 918L & 921L chassis is uniquely engineered to suit your needs. The New Turas 900 moulded onto the tailored Atego Chassis gives you direct access to the driver's seat only ever achieved in the iconic Mercedes-Benz Vario. With 33 Luxury passenger seats plus guide and up to 6M<sup>3</sup> in luggage space this coach is ready to revolutionise its class. New levels of comfort have been achieved with a complete new interior design incorporating; dark double glazed privacy side glass as standard and high capacity saloon air conditioning also incorporating driver's air conditioning.

*"Experience the Innovation in every journey"*
